Carver	Governor John Carver Elementary School	November 28, 2007	Preferred Schematic Design on September 30, 2009	The MSBA Board of Directors voted in September 2009 to move the District into schematic design. Since that time, the District's voters have twice rejected the debt exclusion for schematic design funds, and this past April, Carver voters failed to approve a non-binding referendum to demonstrate support for funding the proposed project.
